I am faxing 15 pages (including this cover) and I will overnight my originals today to be received by the patent office in Alexandria VA by Monday (9 January 2006).

I have included a copy of my check for \$225 dollars for the two month extension.

I have canceled claims 1-3 in response to your office action you mailed to me on the 9th of August 2005 and added claims 4-8.

I have also clarified sentences through the amendments attached.

Thank you,

Sincerely,

Randy D. Akins
